SARTORIA[®] est. 2018

2018: Sartoria is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, small sizes, colour and decoration. From these four elements a new chapter within Terratinta Group is born, aiming to create a new style that can be exported all over the world.

Just like the detailed and creative creations of a tailor, Sartoria designs and fulfils distinguished ideas, giving new life to the craftsmanship of the small ceramic size. From white-body walls to gres porcelain tiles, different options designed for small and wide spaces: a unique, contrasting design, a choice between styles, a choice of style.

Dall'esperienza di una storia ceramica recente senza precedenti, nel 2018 nasce Sartoria. Un progetto su misura per chi ama l'interior design, il piccolo formato, il colore e la decorazione. Da questi quattro elementi nasce un nuovo capitolo all'interno di Terratinta Group, con l'obiettivo di creare un nuovo stile esportabile in tutto il mondo. Così come le creazioni di un sarto, meticolose e creative, Sartoria disegna e realizza grandi idee, dando nuova vita all'artigianalità del piccolo formato ceramico. Dal rivestimento in pasta bianca al porcellanato, diverse combinazioni pensate per piccoli e grandi spazi: un design unico, contrastante, una scelta di stili e di stile.

THE SECOND CHAPTER OF THE NEW SARTORIA BRAND IS A COLLECTION THAT STARTS FROM COLOR, IN 5X25CM SIZE.

Vernici is a collection that starts from color, in 14 original, bold and blasting hues. Extruded white body ceramic in 5x25cm size, 10mm thickness with irregular edges, in different moulds with a shiny effect giving a craftsmanship look: a unique color palette created specifically upon the latest trends within interior design and wall coverings.

From neutral colors to green's, blue's, pink's, yellow and metal shades: Sartoria keeps on its research within small sizes, this time with a project where colors and eclectic identities are playing the main role.

IL SECONDO CAPITOLO DEL NUOVO BRAND SARTORIA E' UNA COLLEZIONE CHE PARTE DAL COLORE, NEL FORMATO 5X25 CM.

Vernici è una collezione che parte dal colore, in 14 varianti tutte da scoprire. Ceramica estrusa in pasta bianca 5x25cm, spessore 10mm con bordi irregolari, in tamponi differenti con effetto lucido per proporre un sapore artigianale: una gamma colori unica creata studiando le ultime tendenze nel design di interni e delle pitture.

Dai colori neutri alle sfumature di verdi, blu, rosa, fino al giallo e al metallo: Sartoria continua la sua ricerca all'interno del piccolo formato, questa volta con un progetto in cui i colori e le identità eclettiche giocano il ruolo principale.
